

WESS

DJRS

Jump

Mod 2: Requesting An  
Account

Welcome to the Naval Safety Center's  
Training Course for the Jump portion of  
the Dive/Jump Reporting System (DJRS).

In this Module, we will show you how to:

- ✓ Request a DJRS Profile
- ✓ Request a WESS Account
- ✓ Associate a DJRS Profile to a WESS Account
- ✓ Gain DJRS Access

# Topics Covered:

- Requesting a DJRS Profile
  - Requesting A WESS Account
  - Choosing a Sub-System
  - Email Verification
  - Associating a DJRS Profile to a WESS Account
  - Logging On
  - Help
- 
- Decorative graphic of concentric circles in the bottom right corner, resembling ripples in water.

# DJRS Access Vs. Non-user Profiles

- Each Jumper and/or Diver will have a DJRS profile created within the system. Having a DJRS Profile does not mean they have DJRS access. Having a profile will allow an individual to be populated on jump manifests as a jumper and in key rolls (JM, ,MO, DZSO), and allow units to track their quals and currency's.
- Certain members will require access to DJRS in order to perform administrative functions within the system (creating manifests, editing profiles). The majority of Jumpers, however will have little need to access the system. These are classified as non-user profiles.

# DJRS Profiles

- Ultimately, once units have been initially implemented into the DJRS system, jumpers or divers will have their DJRS profiles created for them at their respective Jump/Dive school.
- Those who do not receive a profile during unit implementation, or at a schoolhouse, must submit a DJRS Profile Request Form to the Naval Safety Center, either individually or consolidated with other unit jumpers.
- Jumpers needing only a DJRS profile need only utilize the “Requesting a DJRS Profile” unit of this module.

# DJRS Profiles (cont.)

- For Jumpers requiring DJRS access, you will need to request a DJRS profile, a WESS account, and then once the two have been created, you will need to have them linked or “associated” thus giving you DJRS access
- Divers possessing a DJRS profile who become Jumpers or vice versa do not require a second profile. Their current profile must be updated to reflect that they are now trained as both a Jumper and a Diver. Members who meet this criteria must still submit a DJRS profile request to the Naval Safety Center for the newly acquired certification, unless their profile was updated by the school house during their training.

# DJRS Access

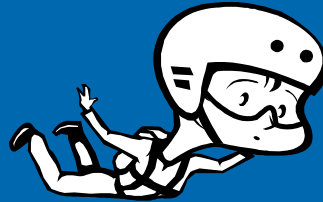

Those who will require DJRS access are members performing functions such as:

- DJRS administrative tasks to include:
  - Manifest creation
  - Profile editing
  - Jump ops approval
  - Generating reports
- LPO/LCPO/Paraloft Chief
- Staff NCO/Senior Enlisted
- Parachute Safety Officer
- Air Ops Division Officer

# DJRS Profile + WESS Account = DJRS Access

- The first step in gaining DJRS access is requesting a DJRS profile.
- Since DJRS is a subsystem of WESS, members requiring DJRS access will need to request a WESS account.
- Once the member gets both their DJRS profile and a WESS account, the two will need to be associated (linked), giving the member access to the DJRS system.

# Requesting a DJRS Profile

## Code 44

### Division Head

(757) 444-3520 x 7147 DSN 564

### MISSION

The primary mission of the Tactical Operations Division (Code 44) is to investigate all Navy and Marine Corps A and B/C (explosive) mishaps. Additionally Code 44 is tasked with conducting Safety Surveys, providing statistical analysis, and developing lessons learned for the fleet and Operating Forces.

# DJRS PROFILE PREP SHEET

## Instructions:

1. Provide FULL first, middle and last name.
2. Identify gender by placing an "X" in the appropriate gender box.
3. Enter Date of Birth MM/DD/YYYY.
4. Enter Height in feet and inches.
5. Enter Weight in pounds (lbs).
6. Enter appropriate Branch of Service.
7. Enter appropriate Rank/Rate (i.e., ND1, LT, SSGT) and Grade.
8. Enter the appropriate Command Name and UIC. Detachments or Deployments will fall under parent Command UIC.
9. Enter appropriate MOS/NEC.
10. Qualifications and Positions - Place an "X" next to all that apply based upon qualification and assignment letter.

LAST NAME:			
FIRST NAME:

## DJRS Profile Prep Sheet

After reading the directions at the top of the form, proceed to fill it out as directed.

**(Incomplete forms will be returned)**

## Qualifications/Positions

After filling out the top of the form, check all blocks that apply to you.

Leave the bottom blank. DJRS administrators will create a new, or verify an existing profile, and return it to your command for you.

Submit completed forms to: [safe-jump@navy.mil](mailto:safe-jump@navy.mil) with "DJRS (jump) profile preparation sheet" in subject line.

**This is the DJRS Profile Consolidation Form. This should be utilized in place of the Profile Prep sheet whenever multiple profiles are submitted at once. The same previously mentioned data requirements exist for this form.**

# Requesting a WESS Account

# Requesting a WESS Account

- Once again, because DJRS is a subsystem of WESS, you must have a WESS account in order to access the DJRS system.
- However, before you will be approved for a WESS account, you must first possess a DJRS profile. Make sure you have requested and obtained your DJRS profile first, before attempting to request a WESS account.

# WESS User Registration Form

The screenshot shows a web form titled "Sam Account Info - Contact Information". It contains several input fields for user registration:

- First Name:
- Middle Name:
- Last Name:
- Reason for Account:  (with a vertical scrollbar on the right)
- UIC:  (with a magnifying glass icon on the right)
- Rank:
- Email:
- Telephone Number:
- DSN Telephone Number:

At the bottom right of the form, there are two buttons: "<<" and ">>".

**After accepting the Terms and Conditions, the New User Account Registration Form will appear.**

The screenshot shows a web form titled "Sam Account Info - Contact Information". It contains several input fields: "First Name", "Middle Name", "Last Name", "Reason for Account" (a text area), "UIC" (with a search icon), "Rank", "Email", "Telephone Number", and "DSN Telephone Number". At the bottom are navigation buttons "<<" and ">>". Three red arrows point from the right side of the form to the "First Name", "Middle Name", and "Last Name" input fields. A red line also extends from the right side of the form, passing behind the text block below.

First Name:	First Name
Middle Name:	Middle Name
Last Name:	Last Name
Reason for Account:	Reason for Account
UIC:	Enter UIC or Activity Name for Lookup
Rank:	Rank
Email:	Email
Telephone Number:	Telephone Number
DSN Telephone Number:	DSN Telephone Number

**Fill in your First, Middle, & Last name capitalizing the first letter of each.**

**Note that Middle Name is not a required field, however if you have a middle name it is strongly recommended that you include the full name to make it easier to differentiate between jumpers with similar names. If you have no middle name, leave this block blank. Do not put NMN or N/A. Use caution when entering your name. Any mistakes you make will contribute to the possibility of duplicate accounts. Enter your full, given name. No nicknames or abbreviated versions (i.e. Bobb, Al).**

Subject: WESS Access Request- Please Verify Email Address

Sent: Thu 3/25/2010 11:53 AM

The Naval Safety Center has received your request for a WESS account.

By continuing the account creation process with the verification of your e-mail address, you are also verifying you have completed the review of the WESS training module, which is a requirement of the WESS Terms and Conditions. This training can be viewed at <http://www.safetycenter.navy.mil/wess/tutorial/index.asp>.

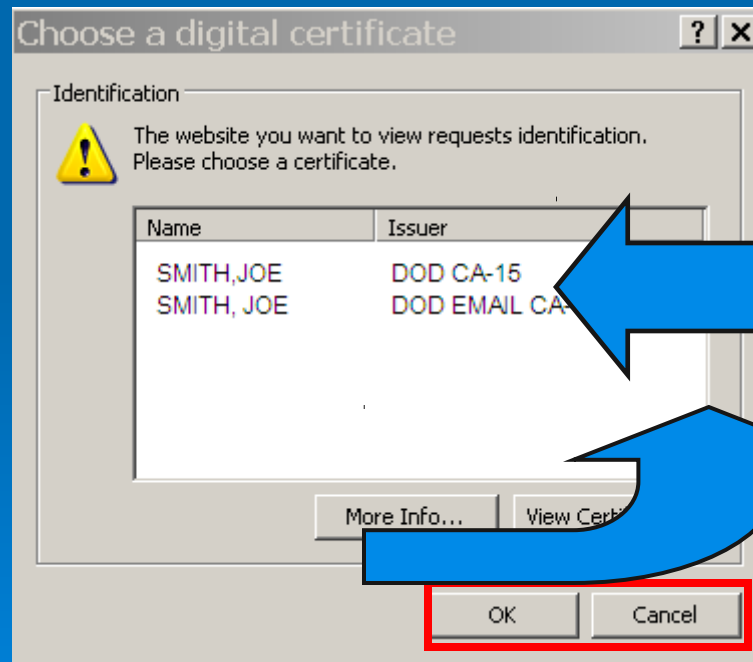

Please click the following link to verify your e-mail address and training compliance:  
<https://wessbeta.safetycenter.navy.mil/collective/jsp/EmailValidator.jsp?id=a4fdaf9808404d15bd9345cf5bdfc531>

-- Naval Safety Center

**YOU MUST  
click the  
link to  
verify your  
email  
address  
and  
training  
compliance or the  
process  
will not**

# Email Address Verification

**After clicking on the email verification link, a window will pop-up for you to select the PKI certificate your WESS account will be associated with.**

**Click on the certificate you wish to use.**  
**Click on the OK button to continue.**  
**Click on Cancel to stop the verification process.**

# Email Address Verification

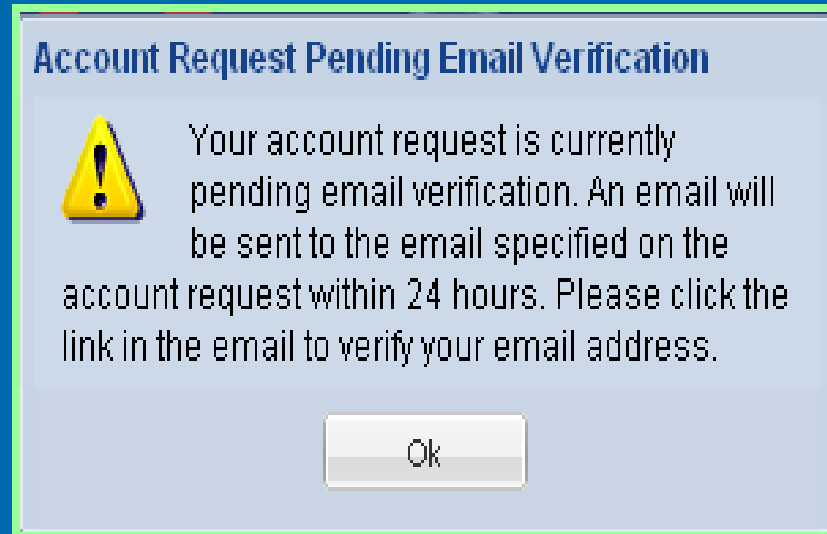

## Thank you

Your email address has been **confirmed and validated**. Your account request is being processed. You will be notified as your account request is processed via the validated email address you provided.

**A window will open with the text above to thank you for verifying your account.**

**You will exit this window as you did at the completion of your account request by clicking the on the “X” in the top right corner of the screen.**

# Email Verification Error

- If you attempt to log into WESS before verifying your email address, you will receive the above error.
- You will need to check your email inbox for the verification email from [safe-wessadmin@navy.mil](mailto:safe-wessadmin@navy.mil) titled "WESS Access Request - Please Verify Email Address". If you cannot locate the email, contact the WESS Help Desk, and the email can be resent.

# Safety Authority Approval

From: safe-wessadmin@navy.mil

Sent: Thu 3/25/2010 3:35 PM

To: Springer, Jerry T. PRC SEAL TEAM 2

Cc:

Subject: WESS Access Request Approved (UIC-84932) DO NOT REPLY

Your Safety Authority has approved your request for a WESS account. The request has been forwarded to the Naval Safety Center for processing. As your request continues through the approval process, you will be notified by email.

If you requested access to multiple subsystems, you will receive email notification as the authority for each subsystem reviews the request. Depending on the availability of the subsystem authorities, there may be a delay in the processing between the multiple requests.

-- Naval Safety Center

**Most activities using WESS have a designated Safety Authority (SA) who is responsible for verifying the requestor's need for an account and for identifying the roles and permissions they need. This includes the ability to submit mishaps and hazards for the command, to participate in the endorsement process, and receive Community of Interest notifications.**

**Once the SA approves your request, you will receive the above email, which serves to make you aware of the progress on the account.**

# Designated Authority Approval

From: safe-wessadmin@navy.mil

Sent: Fri 3/26/2010 11:19 AM

To: Springer, Jerry T. PRC SEAL TEAM 2

Cc:

Subject: WESS Access Request Approved (Subsystem: DJRS) - DO NOT REPLY

Your request for access to the subsystem 'DJRS' has been approved by a delegated NAVSAFECEN authority. The request has now been forwarded for account creation and enabling access. As soon as that step is completed, you will be notified by e-mail and will have access to this subsystem.

Requests made for other subsystems will be approved and created separately so you will be receiving additional notification as those are processed.

-- Naval Safety Center

**Once the Safety Authority approves your request, the request is forwarded to a Designated Authority (DA) within the Naval Safety Center who is responsible for the individual subsystem(s) being requested. They review the request and privileges recommended by the Safety Authority.**

**Once the DA approves the request, you will receive an email similar to the one above. The approved subsystem is identified in the subject line and the email content. If access to multiple subsystems was requested, you will receive a separate email for each subsystem once it is approved.**

# Your WESS Account is Activated

Subject: WESS Access Request Approved (Sub System: DJRS) - DO NOT REPLY

Your WESS access request has been finalized for access to the subsystem specified in the Subject line.

If you requested access to multiple subsystems, you will receive separate email notifications when the approval authority finalizes each remaining subsystem request.

If you experience any issues accessing WESS, please contact the WESS Help Desk using our Help Request Form available at <http://www.safetycenter.navy.mil/wess/helpform.htm> or call (757) 444-3520 ext. 7048 (DSN 564) during normal business hours, Monday-Friday, 0800 to 1630 EST. You can also send us feedback via <http://www.safetycenter.navy.mil/wess/feedback.htm>.

-- Naval Safety Center

**For each subsystem requested, you will receive an email similar to the one above indicating the request has been approved or denied.**

# Your WESS Account is Activated

Subject: WESS Access Request Approved (UIC Change: N63393) - DO NOT REPLY

Your WESS Access Request has been completed.

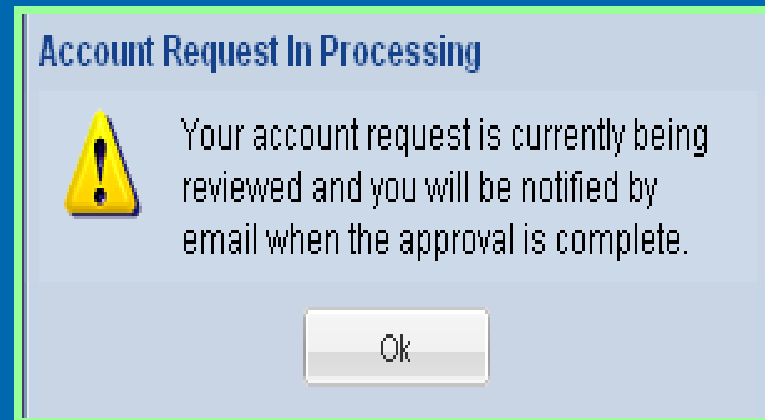

If you were requesting a new account, your account has been physically created and is ready for your use. If you were requesting a change to your UIC, the change has been approved by all necessary authorities and has now been modified. Any work done in WESS will now associate you with the UIC listed in the Subject line.

-- Naval Safety Center

**You will also receive a separate email that explains your account has now been physically created and may be used. In the subject line it identifies the UIC that your account is associated with.**

**If you transfer from this activity and wish to continue to access your WESS account, you will need to update your account UIC and email address if necessary.**

# Login Error Prior To Account Creation

**If you attempt to login prior to the completion of the account creation process, you will see the above error.**

**If you have gone an extended period of time without an update on the status of the account, you may contact the WESS Help Desk for assistance.**

# Account Request Rejection

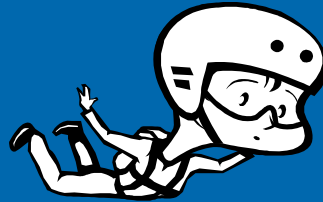

Subject: WESS Access Request Rejected - DO NOT REPLY

Your WESS Access Request (Safe, Izzy LT, request to change UIC : N63393) has been rejected. The following comment was noted: 'Please submit with an official valid email address'

If you would like further explanation you may contact the Safety Authority for your UIC. If you do not know the POC for your Safety Authority you may contact the WESS help desk at (757) 444-3520 ext. 7048 (DSN 564) during normal business hours, Monday-Friday, 0800 to 1630 EST.

-- Naval Safety Center  
|

- **The ability to reject the account request is available at each step of the process. If your account request is rejected, you will receive an email similar to the one above.**
- **The individual rejecting the account must provide justification, which will be printed in the content of the email.**
- **If your account request is denied and you feel you received the rejection in error, please contact the Naval Safety Center**

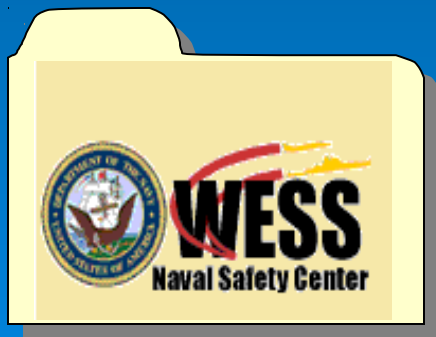

# Associating a DJRS Profile to a WESS Account

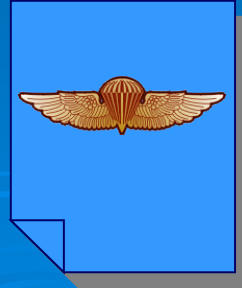

# Associating a DJRS Profile

- Now that you have a WESS account and a DJRS profile, the two need to be linked together in order for you to receive DJRS system access. This function is normally performed at the unit level by the unit's DJRS Profile Manager.
- However, if your unit does not have a DJRS Profile Manager position established, you will have to contact the Naval Safety Center to have your profile associated.

If after clicking “Lookup”, nothing happens, or an error screen appears, then the member does not have a WESS account, or the email address is incorrect. Contact the Naval Safety Center’s WESS help desk for

After finding the member’s WESS account ID, click “Set Current Profile to this WESS ID” to associate their WESS account to their DJRS profile.

## DJRS Profiles

Manage DJRS Profiles

Note: Fields marked with an \* are required fields

[Help](#)

After you choose the proper WESS ID to link to the DJRS profile, the screen will look like this. The association will not become permanent until you click "Save"

Regardless of what was in the name fields prior to you linking the profile to the WESS ID, the fields will auto populate with the name used for the WESS ID. If the member misspelled, used a nick name, or left a field blank (common with middle names) this will transfer to the DJRS name fields. Make sure you correct

After you associate the profile to a WESS account and click save at the bottom of the profile screen, you will see the WESS account ID# listed.

When a profile becomes linked to a WESS account, the members name blocks become locked. It is imperative that you make sure the name blocks are correct before clicking "Save" and the name blocks

Remember, if you don't click "Save" your changes will not take effect.

## No Profile

### No Profile Associated with WESS Account

You do not have a DJRS Profile associated with your WESS Account. Contact a DJRS administrator to have your profile associated with your account.

[Log Out](#)

**Attempting to log onto DJRS without having a profile, or not having your profile associated (linked) to a WESS account, will result in this page being displayed.**

# Logging On

The background of the slide features a stylized illustration of a satellite dish. The dish is represented by a series of concentric, slightly curved lines that form a grid pattern, suggesting the structure of the dish's surface. A small, dark satellite is depicted in orbit above the dish, connected by a few thin lines. The entire illustration is rendered in a light blue or grey color against the solid blue background.

**After having your DJRS profile associated to your WESS Account, it's time to log on and get started.....**

Safety Data Reporting System - FOR OFFICIAL USE ONLY

WESS Version # 3.1.3 R0

 Web Enabled Safety System  

US DEPARTMENT OF DEFENSE WARNING STATEMENT

You are accessing a U.S. Government (USG) Information System (IS) that is provided for USG-authorized use only.

By using this IS (which includes any device attached to this IS), you consent to the following conditions:

- The USG routinely intercepts and monitors communications on this IS for purposes including, but not limited to, penetration testing, COMSEC monitoring, network operations and defense, personnel misconduct (PM), law enforcement (LE), and counterintelligence (CI) investigations.
- At any time, the USG may inspect and seize data stored on this IS.
- Communications using, or data stored on, this IS are not private, are subject to routine monitoring, interception, and search, and may be disclosed or used for any USG authorized purpose.
- This IS includes security measures (e.g., authentication and access controls) to protect USG interests--not for your personal benefit or privacy.
- Notwithstanding the above, using this IS does not constitute consent to PM, LE or CI investigative searching or monitoring of the content of privileged communications, or work product, related to personal representation or services by attorneys, psychotherapists, or clergy, and their assistants. Such communications and work product are private and confidential. See User Agreement for details.

Contact the [WESS Help Desk](#) at (757) 444-3520 x7048 (DSN 564) during normal business hours, M-F, 0800 to 1630 EST/EDT.
